

# Practical Resources

## from the Immunization Action Coalition

### ► IAC Express – [www.immunize.org/express](http://www.immunize.org/express)

Join more than 50,000 subscribers who already receive IAC's free weekly email news service. Stay current on new and updated vaccine recommendations, licensures, and other practical information.

Subscribe at [www.immunize.org/subscribe](http://www.immunize.org/subscribe)

### ► IAC's main website – [www.immunize.org](http://www.immunize.org), where you'll find:

#### ■ FREE educational materials for healthcare personnel and patients – [www.immunize.org/handouts](http://www.immunize.org/handouts)

Help yourself to hundreds of IAC's vaccine-related educational materials and fact sheets. All are CDC-reviewed, copyright-free, and ready to print.

#### ■ Vaccine Information Statements (VISs) – [www.immunize.org/vis](http://www.immunize.org/vis)

The use of VISs is required under federal law to explain vaccine benefits and risks to patients. Available in many languages.

#### ■ Ask the Experts – [www.immunize.org/askexperts](http://www.immunize.org/askexperts)

Get answers from CDC experts to more than 1,000 practical questions about vaccines and their use.

### ► IAC's website for the public – [www.vaccineinformation.org](http://www.vaccineinformation.org)

IAC's easy-to-use resource for the public is designed to help patients find straightforward, accurate information about vaccines and recommendations for their use.

Tell your patients about [www.vaccineinformation.org](http://www.vaccineinformation.org)
