

What a wonderful web we've woven at www.immunize.org

at the Immunization Action Coalition

Here's what you'll find at www.immunize.org

- Vaccine Information Statements (VISs) in more than 30 languages
- Hundreds of free, ready-to-copy handout materials to download, make copies, and give to patients and staff – all reviewed by CDC!
- Hundreds of photographs of people with vaccine-preventable diseases
- “Ask the Experts” questions and answers from CDC experts
- Current and past issues of *Needle Tips* and *Vaccinate Adults*
- Shop! How-to-vaccinate DVD, immunization record cards for patients, laminated immunization schedules, and more!

Subscribe! While you're in our web, subscribe to all the free publications from the Immunization Action Coalition that interest you. Click the “Subscribe” button or go to www.immunize.org/subscribe
