

IAC's Online Directory of Immunization Resources

Visit our website to find the Immunization Action Coalition's online Directory of Immunization Resources. Continually updated, it keeps you in the know about immunization issues and resources. Use it to gain access to hundreds of reliable sources of information with the click of a mouse. Here's what you'll find:

- **Books and Periodicals:** Standard resources for providers, as well as helpful and informative books for patients and parents.
- **CDC Materials:** Ordering information for CDC-produced materials; links to frequently requested items, live satellite broadcasts, and websites; and a listing of telephone and email information services.
- **Continuing Educational Opportunities for Health Professionals:** Listings and links for providers needing CMEs, CNEs, CEUs, or just to stay current.
- **Email News Services:** Information about how to sign up to receive periodic email updates from several immunization-related organizations.
- **Government Agencies:** Links to most federal agencies (e.g., CDC, FDA) and state health departments.
- **Hotlines:** Information about toll-free hotlines for providers and patients.
- **IAC Materials:** Links to IAC's ready-to-print educational pieces for providers, patients, and parents—and much more.
