

The Immunization Action Coalition Can Help Your Immunization Coalition!

Join the Immunization Coalitions Network and connect with more than 200 immunization coalitions. Share ideas and resources and learn from national experts.

Webinar calls

Participate in periodic webinars with coalition members and national experts on topics of interest to immunization coalitions.

Listserv

Join the discussion listserv where coalition members can pose questions, request help, make announcements, and share resources.

Website listing

Make sure your immunization coalition is listed on IAC's newly launched website, www.immunizationcoalitions.org, which features local, state, regional, and national coalitions. This website allows interested supporters of immunization to contact coalitions for resources, ideas, or volunteering.

Free email news service: Network News

Receive email announcements of interest to coalitions such as new resources, educational opportunities, and conferences.
