2015 laminated immunization schedules—both child/teen and adult versions available!

IAC has two laminated immunization schedules for 2015—one for children/teens and one for adults. Based on CDC’s immunization schedules, these laminated schedules are covered with a tough, washable coating. This allows them to stand up to a year’s worth of use as at-your-fingertips guides to immunization and as teaching tools you can use to give patients and parents authoritative information.

Plus, each schedule includes a guide to vaccine contraindications and precautions, an additional feature that will help you make on-the-spot determinations about the safety of vaccinating patients of any age. To order any of our essential immunization resources listed below, print out and mail or fax this page, or place your order online at www.immunize.org/shop.
