Order Essential Immunization Resources from IAC

Immunization record cards for all: for adults, for children & teens, for a lifetime!

New in 2010 from the California Department of Public Health's Immunization Branch, this 25-minute DVD helps ensure that staff administer vaccines correctly to all age groups. An excellent training tool, the DVD provides detailed information on these major topics:

- Preparing vaccines—Mixing, reconstituting, and drawing up a variety of vaccine products and preparations
- Administering vaccines—Identifying correct needle lengths, insertion angles, and injection sites, and giving injectable, oral, and nasal-spray vaccines.
- Communicating with parents and patients—Providing VISs, answering questions, and observing patients after vaccination
