Laminated adult and child immunization schedules

Order one of each for every exam room

The 2015 versions of the ACIP/AAP/ACOG/ACNM-approved schedule for adults (6-sided) and the ACIP/AAP/AAPF-approved immunization schedule for people ages 0 through 18 years (8-sided). Both are laminated and washable for heavy-duty use, complete with essential footnotes, and printed in color for easy reading.

To order, visit www.immunize.org/shop, or use the order form on page 18. Quantity discounts are available. Schedules: $7.50 each

Wallet-sized immunization record cards for all ages:

For adults, for children and teens, and for a lifetime!

Now you can give any patient a permanent vaccination record card designed specifically for their age group: adult, child and teen, or lifetime. These brightly colored cards are printed on durable rip-, smudge-, and water-proof paper. Each box contains 250 cards.

To order, visit www.immunize.org/shop, or use the order form on page 18. Quantity discounts are available. To receive sample cards, contact us: admininfo@immunize.org

Training Video: “Immunization Techniques – Best Practices with Infants, Children, and Adults”

The California Department of Public Health, Immunization Branch, updated its award-winning training video, “Immunization Techniques: Best Practices with Infants, Children, and Adults.” The 25-minute DVD can be used to train new employees and to refresh the skills of experienced staff on administering injectable, oral, and nasal-spray vaccines to children, teens, and adults.

To order, visit www.immunize.org/shop, or use the order form on page 18.

For healthcare settings in California, contact your local health department immunization program for a free copy.
