

Personal Immunization Record Cards for All Ages – Child and Teen, Adult, and Lifetime!

The Immunization Action Coalition offers three colorful record cards: child and teen (bright orange), adult (bright yellow), and lifetime (lime green). Each card lists all vaccines recommended for the people in that age group.

These easy-to-find cards are printed on durable rip-proof, smudge-proof, water-proof paper and fold conveniently to fit in a wallet.

To view full-color versions of all three cards, visit www.immunize.org/shop/record-cards.asp

All your patients will love these high-quality vaccination record cards!
